Center For the Study of
Extraterrestrial Intelligence
Post Office Box 15401
Asheville, North Carolina 28813

Dear Dr. Greer:

On behalf of President Clinton, thank you for your letter and the information regarding your work on the issue of extraterrestrials. The President appreciates your interest and longstanding involvement in this issue.

I have forwarded your request for a meeting with members of the Administration to the appropriate White House staff. Thank you for taking the time to write.

Sincerely,

James A. Dorskind
Special Assistant to the President
Director of Correspondence and
Presidential Messages
